

862 HORNET & WASP SPRAY

Use this fast-acting, powerful aerosol spray to saturate nests instantly and eliminate hornets, wasps, and yellow jackets from inside (attics and other areas where nests are built) and outdoors.

- USDA F-2
- Sprays up to 20 feet; pinpoint stream reaches dense and hard to reach cracks and crevices
- High-delivery valve for complete saturation
- High percentage of active ingredient ensures the best knockdown and kill rate
- High dielectric strength of 41kV/mm
- EPA registered
- Lasting residual deposit prevents reinfestation for weeks
- Does not contain ozone depleting substances

Uses: Ideal on utility meters and boxes, outside surfaces of screens, doors and window frames, nesting areas in shrubs and bushes, telephone poles and eaves. Also for use at golf courses, picnic grounds, beaches, warehouses, and storage areas where food is not exposed.

CAN SIZE (NET)

20-ounce Aerosol (15-oz.)

WEIGHT

16 lbs.

CASE PACK

12 Cans

870 GRAFFITI REMOVER

This high-performance cleaner is a special blend of solvents that removes ink, crayon, spray paint, lipstick and pencil marks from a variety of surfaces.

- Ideal for public areas prone to graffiti abuse
- Removes stubborn marks from road signs, washrooms, buildings, sidewalks, underpasses, and a variety of other surfaces
- Safe for use on most hard, unpainted surfaces, including concrete, brick, wood, fiberglass, ceramic tile, Formica, and some plastics
- Eliminates the need to sandblast and grind marks off concrete and brick surfaces
- Does not contain CFCs, HCFCs, or chlorinated solvents
- Dielectric strength of 35kV/mm

Uses: Remove unwanted marks from road signs, metal panels, washrooms, public buildings, sidewalks, underpasses, school locker rooms, transit system buildings and vehicles, and rail cars.
