FEATURES & SPECIFICATIONS

INTENDED USE — Provides maintenance-free, energy-efficient accent and/or task lighting in residential and commercial applications. The wide selection of colors and patterns complement any decor. Ideal for accent lighting in commercial applications such as hallways, stairways, foyers, offices and meeting rooms. For use with Lithonia Lighting SWBLED LED Wall Sconce Backplate.

CONSTRUCTION — Thermal formed quarter sphere acrylic diffuser available with a variety of external finishes (see swatch chart and notes on back of sheet).

DLSD13 has a paper laminated diffuser.

DLSD14 has a fabric laminated diffuser.

DLSD15 has an acrylic diffuser.

OPTICS — Product does not contain a light source (see SWBLED spec sheet).

INSTALLATION — For indoor applications only.

Wall mount vertically only.

All mounting hardware included. Attaches to the wall sconce backplate using brackets provided.

LISTINGS — ADA compliant.

WARRANTY — 1-year limited warranty. Complete warranty terms located at www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx

Actual performance may differ as a result of end-user environment and application.

Note: Specifications subject to change without notice.

Wall Sconce Diffuser

DIFFUSER SWATCHES

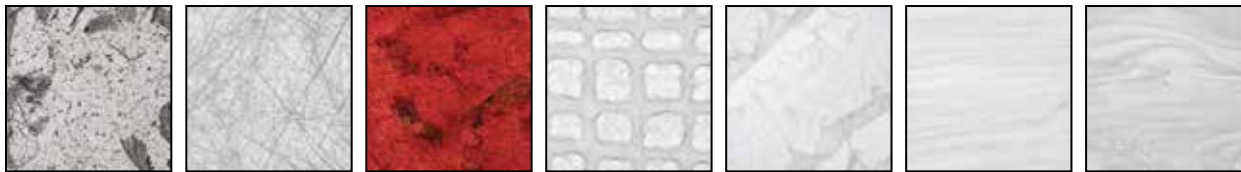

Diffusers must be ordered separately from backplate with light source (SWBLED). More options may be available (consult factory). Diffusers are custom fabricated and finished. Colors and patterns may vary. Laminated materials will appear darker due to application of protective clear coating. *The visualization of colors on the screen and on this document is conditional based on the characteristics of your printer, monitor and its graphic card. These swatches are intended as reference.*
