

## FEATURES & SPECIFICATIONS

### INTENDED USE

This fresh and innovative track head combines aesthetics with superior functionality for applications such as specialty retail, grocery, galleries, museums, hospitality, residential and educational environments. The FLTB Series provides high-quality, eco-friendly lighting solutions.

### CONSTRUCTION

Lamp Holder: This low-profile lamp holder is made of aluminum.

Available in white or black.

Adaptor: Low-profile injection-molded track mounting adaptor for easy attachment to Lithonia Commercial (LT) track system. Snap lock secures adaptor to track. Adaptor also compatible with Nordic Aluminum Global (GES & GET) Track Systems. Adaptors have been evaluated and tested in accordance to UL1574 Track System Standards. Adjustable adaptor contacts can be positioned for track circuit 1 or 2.

**Note: Lithonia Decorative Track Lighting components are not compatible with Lithonia Commercial Track Lighting components. Installation of mixed components will result in risk of shock hazard or fire, damage of fixture, failure to illuminate, and it does not meet UL standards.**

### ELECTRICAL

PAR20, PAR30 and PAR38 styles use an E26 medium base 120V porcelain socket.

### LISTINGS

ETL<sub>us</sub> listed to UL1574 Track Lighting Standard.

### WARRANTY

One-year limited warranty. Complete warranty terms located at:

[www.acuitybrands.com/CustomerResources/Terms\\_and\\_conditions.aspx](http://www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx).

**Note:** Specifications subject to change without notice.

Actual performance may differ as a result of end-user environment and application.
