

500' Reinforced Yellow Barricade Tape

DuraGuard woven premium reinforced barricade tape is used for setting off areas under construction, parking lot sections, or dangerous areas that require warnings. Brightly colored with bold, black message in 2 in. letters on yellow tape. Empire 76-0600 caution tape is durable and reusable to keep sites safe. Barricade tape is used by professionals in law enforcement, safety, construction, painting, mining, hardware and utilities. This warning labeled tape utilizes a disposable, economical marking solution to ensure that all necessary caution warnings are given. We ensure its consistency by using virgin resins to ensure longest lasting/most durable tape available. The cross-woven reinforced polyethylene is 16 times stronger than regular barricade tapes and long distances between tie points are no problem for this barricade tape.
