

ITEM# EM81.24

24" TRUE BLUE® Magnetic I-Beam Level w/ 45° Vial

Use the magnetic strength of the Empire® Level 24-Inch Heavy-Duty Magnetic Level W/45-Degree Vial and find the level or plumb of pipes and more. This TRUE BLUE® level features a VARI-PITCH™ vial, which delivers slope readings at 1/8-, 1/4-, 3/8- or 1/2-inch per foot on a horizontal run. Made of anodized aluminum, the Empire Level 24-inch magnetic I-beam level is corrosion-resistant. Protecting the frame and vials from damage are impact-resistant and shock-absorbing end caps. The level features a magnetic edge that lets you check readings on pipes and other materials hands-free. Shatter-resistant lenses cover and protect the vials on this tool. The Empire I-beam level uses high-impact e-BAND™ vials for durability. It also has high-contrast surrounds that let you view vials in any light. When standing above the level, the top window lets you easily see readings.

INCLUDES:

[\(1\) 24" TRUE BLUE® Magnetic I-Beam Level w/ 45° Vial \(em81.24\)](#)

FEATURES:

- High impact acrylic e-BAND™ mono vials offer superior durability
