

FEATURES-SPECIFICATIONS

Description

Panels for two-door single-access and two-door dual-access Free-standing NEMA 12 enclosures.

- Panels are 10 gauge steel and can be positioned anywhere along horizontal depth-wise mounting channels
- Half-length panels can be located in the upper or lower portion of the enclosure
- Mounting hardware is furnished with each panel
- Panels are painted with a white polyester powder
- **Optional "G"** panels have a conductive finish (no paint)
